Andy Anker, Associate Director

Welcome 8th Grade Band Students and Families!

The Mustang Band Family is ready to welcome your student and family into this great, rewarding group! We encourage you to get excited about being at Creekview High School, if you aren't already. We are looking forward to your student being a member of the award winning Mustang Band!

The middle school band experiences are an excellent preparation time for high school band. The middle schools do an excellent job of teaching and nurturing the student to be ready for higher learning. As your student moves on to Creekview High School, there will be an increased need for community and the need to belong to a group. The Mustang Band is excellent at providing both (and more) for your student. The student's spend a lot of time together, creating community and the sense of belonging to a group (with a purpose). These students work hard together, to produce winning pride and unity. Lasting friendships quickly develop. The upperclassmen take care of the freshman students and welcome them in. By the time school starts, your student will already know 200 smiling faces on the first day of school! There is not another group that you would want your student to participate with more than the Mustang Band!

Parents, we hope that you know that as your student is involved with the Mustang Band, you will also develop lasting friendships, too! Because of the activities your student is will be involved in, you will also become a part of the band family! We look forward to seeing and visiting with other parents at practices, football games, competitions, trips, musicals and concerts. It is a fun group! When the Mustang Band steps onto the field, you will feel such pride. Goose bumps, a lump in your throat and alligator tears. Yes! Band parents know all about that! Knowing the hard work and dedication the band has made, you can't help but make some noise!!!!

The Band Directors are dedicated musicians. They want to help your student succeed; to help your student be all they can be. They work very long hours to ensure everything is as it should be and everything is taken care of at the right time. The Mustang Band is fortunate to have such awesome leadership! The Band Booster organization is comprised of parents, just like you that support the band in many ways. We need your ideas and support to help ensure the Band's success. We welcome you and request your participation volunteering to support all of our hard working students.

The Mustang Band's motto is PRIDE. Perseverance, Respect, Integrity, Discipline, Excellence. We look forward to bringing your student and your family into the PRIDE of Creekview!

Sincerely,

Dawn Etier

Creekview High School Band Booster President
